

GIVING BY WOMEN FOR WOMEN

I contributed
and joined the Society of
1918 because I want my
voice to be heard and I
want to make a difference
in the lives of women. I am a
young professional and it is a
stretch for me financially, but
my membership has provided
leadership opportunities at
W&M and the members
have been so supportive of
me and my career.

SOCIETY OF 1918

GROWING WOMEN'S ENGAGEMENT, LEADERSHIP AND PHILANTHROPY

In honor of the 100th year of coeducation, the Society of 1918 established an endowment to support alumnae initiatives programs. The endowment, created by women, for women, funds enriching programming that brings W&M women together to strengthen their bonds with one another and with alma mater. This includes regional and interest-based events throughout the U.S. and the on-campus signature event W&M Women's Weekend.
